COMPLETELY RE-STYLED CHEVROLET FEATURES V8 ENGINE

The futuristically designed 1955 Chevrolet, offering for the first time, a high-output 162 horsepower V8 engine as well as a more powerful six cylinder "Blue Flame" economy-leader, was announced across Canada today. Greatly increased comfort and driving qualities stemming from re-engineered frame and suspension are enhanced by the first "dream car" styling in the low price field. The Bel Air Sports Coupe (above) illustrates the broad, low grille and hood treatment, greatly increased vision through the new sweep-sight windshield, and the "fleet" look imparted to all 14 body styles by the longer, lower lines of the new models.

LAC LA BICHE TEACHER'S CONVENTION BIG SUCCESS

The annual convention of the Lac La Biche School Division was held at the Dr. Swift School on Oct. 18 and 19. More than 50 teachers attended the two-day convention. All were pleased to have Fort McMurray included in the gathering this year.

Rev. Father McGrane gave the invocation and M. Maccagno, deputy mayor, welcomed the teachers on behalf of the town. J. Williams brought greetings from the Divisional Board.

Speakers included Dr. Coutts and Miss Lampard from the Faculty of Education; W. E. Frome, Chief Superintendent of Schools; Mr. Ansley, the General Secretary of the ATA; H. A. Kostash, Superintendent of the Smoky Lake School Division; and Mr. Skuba, our Northwestern Geographic Representative.

Dr. Coutts, guest speaker, chose as his title, "Into New Battles." He stated that our aim should be to teach pupils to live richly with their neighbors and with themselves. Only through humanities can we express our inward life.

Miss Lampard gave an interesting talk on Enterprise and Language Arts. The teachers then attended two sectional meetings: the Elementary Section with Mrs. Meardi as chairman and Miss Lampard as consultant. The Secondary Section with N. Chodan as chairman and Dr. Coutts as consultant.

Mr. Skuba, Northeastern Geographic representative, expressed his pleasure at being able to attend the convention. He reviewed some of the main accomplishments of the association for the past year.

The first day's activities came to a close with a banquet, which was catered by the St. Catherine's ladies. Mr. Frome was the guest speaker. With many interesting sidelights and humorous anecdotes, he reviewed the progress of schools in the Province, from the small districts and log structures of a few years ago to the present division and large centralized schools. Evening ended with a dance in the Memorial hall.

Mr. Myskiw, the superintendent of the division, opened the second day of the convention with helpful suggestions to the teachers of his inspectorate.

The visiting superintendent, H. A. Kostash, who was once Inspector of the Athabasca School Division, which then included Lac La Biche, expressing his delight in seeing so many of his former teachers. Mr. Kostash spoke on freedom and liberties in our democracies, and how little heed we pay to them. He used our right to vote as an example. Citizenship is a responsibility we must not shirk.

W. E. Frome, guest speaker of the day, chose as his theme, "Inspection Becomes Supervision." The chief aim of supervision is to teach the children to do better the things which they will do anyway. He also stressed the importance of institutes.

A very lively and enjoyable program of dances, songs, piano solos and duets and tap dancing was put on by Sister Mary and Sister Bathilda of the Dr. Swift School.

At the ATA meeting, with which the session concluded, the following were elected: Hon. President, N. Myskiw; President, F. McMillan; Vice-president, Paquin; Sec.-Treas., Sister Blois.

Gourin Dealer Announces Special Rewards For Keeping Egg Records

Keeping a daily egg and feed record on your layer flock may now bring greater rewards than ever. A new laying feed ingredient, called Calogen, brings with its announcement an offer to test the efficiency of your egg feeds.

J. E. Dakin, Gourin Swift's feed dealer, announces he is accepting registrations for Pace Setter Flocks. All owners of laying flocks numbering 200 birds or more are eligible. A simple daily egg and feed record is supplied to each flockowner. After this record is kept for a four-month period, the summary is turned in for a quality merchandise gift. A wide variety of gifts are available for selection, including such items as a mantle radio, ladies' or men's Elgin watch, tool kits, electric toasters and dozens of other valuable gifts.

Choice of gift, according to Mr. Dakin, depends on size of flock and amount of feed purchased. The gift is presented as the flockowner's reward for keeping a daily record. The Pace-Setter Flock program, according to report, is in no way a contest. Everyone who completes the egg record may choose a gift. The offer is extended to poultry raisers to determine the feed-saving ability of Calogen under practical farm conditions.

Keeping a record on the laying flock has always been recommended as a sound farm management idea. With the Pace-Setter Flock program, Mr. Dakin believes it may well prove to be more worthwhile than ever.

Couple Celebrate Golden Wedding

COLINTON. — Mr. and Mrs. Gust Gunderson of Provost celebrated their golden wedding anniversary at the home of their daughter, Mrs. C. N. Knutson, where about sixty people gathered to celebrate the occasion.

The dinner table was centred with a yellow wedding cake decorated with yellow roses.

Einar Gunderson proposed the toast to the couple, to which Mr. Gunderson suitably replied.

Mrs. Hamilton presented Mr. and Mrs. Gunderson with a chime clock.

Out-of-town guests were Mr. and Mrs. Einar Gunderson and family, Mr. and Mrs. Otto Heesch and family, all from Edmonton; Martin Gunderson from Marlboro, and Miss Marjorie MacKay of Victoria, B.C., who is also visiting friends around here.

Kikino

Mr. and Mrs. J. N. Donald went to Edmonton recently, where she will undergo an operation.

T. M. Johnston and Leo Thompson went to St. Paul last week for a load of freight.

Mrs. Raymond Bellerose was taken to the hospital at Lac La Biche, where she will remain for a few days.

Mrs. Robin Thompson is visiting her family for a week, at Goodfish Lake.

Atmore

Miss Clare Poulin was hospitalized at St. Catherine's Hospital for a few days last week.

Mrs. E. A. Bennett, Municipal Nurse, Breynat, was a guest at the V. F. Genoud home last week.

Mrs. Lloyd Dakin attended the Teachers' Convention at Lac La Biche last Monday and Tuesday. During convention time Miss D. Walters, Noral, was a guest at the L. Dakin home.

A. Bouvier was a business visitor to Edmonton last Friday.

Rene Boulanger and Larry Shank were business visitors to Edmonton last week.

Mr. and Mrs. T. Shank and family of Edmonton were guests at the L. Shank home this past weekend.

Mr. and Mrs. Harold Vesterdal of Calgary motored to Atmore Saturday. They returned Sunday, accompanied by Mrs. O. Vesterdal and Nick Kostiuk. Nick is resuming studies at the Technical School.

Caslan

Mr. and Mrs. S. Lukasuik spent a few days in the city recently.

Clayton Henson has returned from the coast after visiting his mother, who is ill. While there, he visited his brothers and sisters.

A large crowd attended the picture "Forbidden," which was shown at the school last Monday evening.

Miss Mary Duchynch is home after working at Athabasca for some time.

Hens on Canadian farms averaged 186 eggs each last year, six more than in 1952.

Lac la Biche Mission

Oscar Bourget of New York, USA, visited his brother, Lucien Bourget and family. He also was guest at R. Rizzoli's, Lac la Biche, and motored back with his nephew, Alf Bourget as far as Red Deer.

Mr. and Mrs. Harry Ostash of Elk Island Park, were visiting recently at Mrs. Louis Bouvier's.

Eusebe Bourque and friend Bob Blenan spent the weekend at the Mission, visiting relatives.

Mr. Lafreniere of Edmonton and daughter visited at Alfred Beaudoin's.

Mrs. Alfred Beaudoin visited Edmonton on business.

Mrs. Alfred Beaudoin visited Edmonton on business.

Mr. and Mrs. Johnny Levesque of Edmonton visited at the home of Mr. and Mrs. A. Huppie at Egg Lake.

George Huppie is back home from Lake Ste. Anne, where he was fishing, and has left for Boyle.

Mr. and Mrs. Albert Huppie spent a weekend at the home of Mr. and Mrs. A. Duperron.

Mrs. Steve Peterson and two sons, spent a week at the home of Mr. and Mrs. Amedee Duperron.

Bud Beyon and Ralph Mitchell from Fort Vermilion were guests at the home of Mr. and Mrs. Albert Huppie.

Louis Uliac from Atmore, and Mrs. Andre Uliac were here recently on business.

Grassland

Congratulations to Mr. and Mrs. Dan Sadownik on the birth of a baby daughter, October 23, also to Mr. and Mrs. Richard Schendzielorz on the birth of a daughter, on October 24.

Don McKenzie, oldest son of Mr. and Mrs. Ira McKenzie, has moved to Houston, B.C., where he has a three year job with the forestry department.

End of a long hunt ended on Thursday with the arrest for theft of Nick Nypiuk, who was caught by RCMP while passing through Boyle.

Head on collision between two trucks caused much damage to both vehicles, and slight injuries to one driver on Thursday, eight miles south of Grassland on the highway. Trucks driven by John Broton and Alex Hula met on a curve in the road, and Alex Hula was thrown from his cab, and received minor injuries.

John Romanyshyn is home again, after receiving hospital treatment for injuries received while repairing his combine.

Bill Meers is also back from hospital, where he was treated for food poisoning.

Miss Baumgardt, the district nurse, at present on leave of absence while attending the University of Alberta, was visiting friends here last Sunday. She hopes to return to Grassland after her course is completed.

Infant son of Mr. and Mrs. Jack Davidiuk has been in an Edmonton hospital, but is now pronounced ready to return home.

Recent visitors to the city included Mr. and Mrs. Wilf Johnson and Laing, and Mr. and Mrs. Dale Mellott.

Lac la Biche

Quinto and Joe Bonifacio were weekend visitors here.

A. Gurra went to Edmonton recently on business.

Mr. and Mrs. Davis Biollo from Edmonton were here recently. D. Biollo stayed awhile to do his harvesting.

As part of the joint Canada-U.S. engineering project to halt erosion of Niagara Falls the flow of water over sections of the Falls will be temporarily cut off.

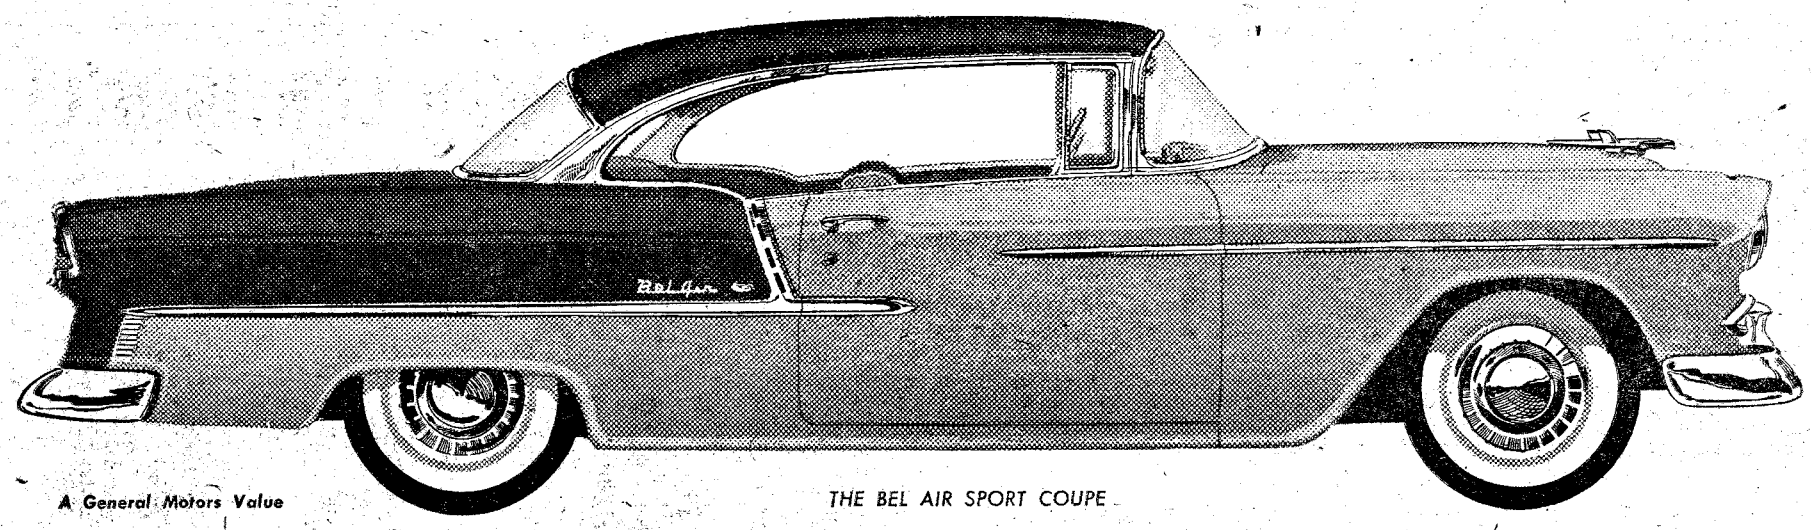
Low...and behold!

The *motoramic* Chevrolets for '55



A General Motors Value — *THE BEL AIR SPORT COUPE*

Chevrolet and General Motors took a whole new look at the low-cost car — and just look what happened!

NOW BEING SHOWN!

The valve-in-head V8 as only the valve-in-head leader can build it!

8

Now Chevrolet, the leading builder of valve-in-head engines, introduces the "Turbo-Fire V8." It carries the V8 design to a new high in efficiency with its high horsepower (162!), high-compression (8 to 1!), high performance and surprisingly high gas mileage. Available with standard transmission, or with the extra-cost options of Overdrive or Powerglide.

You can choose from two new sixes, too

6

Chevrolet also offers the last word in six-cylinder performance and economy! There's a new "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with either standard transmission or Overdrive.

Can't you tell just by looking that Chevrolet and General Motors have come up with a completely new idea about the low-priced car? The idea is this: to build a car that offers the very newest thing in styling, the most modern features, the finest kind of performance and the highest quality of manufacture — all at a modest price. It's something that took a lot of doing and that only the world's largest car builders could do. Everything's new in this Motoramic Chevrolet from its lower top right down to its tubeless tires. Come in for the most fascinating visit you ever made to an automobile showroom!

More than a new car — a new ***concept*** of low-cost motoring

Milk Sales Up In Edmonton

EDMONTON (BUP). — Alberta's Dairy Branch report that milk sales in Edmonton in August were up five per cent over those of August, 1953.

The Branch says that while August sales at Calgary increased three per cent., sales at Lethbridge and Medicine Hat were steady.

Butter production in the Northern Alberta region reached 1,595,000 pounds during September, a two per cent. increase compared to the same month in 1953.

Central Alberta's butter production at 975,000 pounds was up four per cent., and Southern Alberta 12 per cent. over the amount produced in September last year.

Cheddar cheese production showed a drop of 21 per cent in September at 199,000 pounds. But the nine month total of 2,180,000 pounds is a decrease of only four per cent. compared to 1953's production.

Man Fined For Striking Boy

EDMONTON (BUP). — An Edmonton Engineering Department employee has been fined $75.00 and costs for striking a 5-year-old boy.

Stephen Hrycoy was found guilty of a charge of assault in Supreme Court. The department employee was charged July 2nd, following an incident in which he threw a stick at Michael Rintoul, who was playing with other boys by a construction site.

Hrycoy testified that he had told the boys to go away because they were playing with tools which were his responsibility. He said he had been cleaning a trailer, and threw the stick out while tidying up.

Couple Suffocated By Fire Smoke

EDMONTON (BUP). — An Edmonton couple suffocated in a fire which filled their home with smoke.

The victims have been identified as Thomas Forrest and his wife, May, both believed to be in their 40's.

They were found by firemen after a grocer who lived near their home, Ernest Charlton, saw smoke coming from the building.

When firemen arrived, they found Forrest lying on the floor and his wife in a bedroom. A sofa in the living room was burning and officials believe the blaze was started by a cigarette butt.

The fire was brought under control quickly, and rescuers worked over the victims for about an hour without being able to revive them.

Forrest's family was reported living in Wainwright, Alberta, and his wife's in Fernie, B.C.

For the third year in a row fewer bicycles were made in Canada in 1952. Output was 82,375, lowest since 74,337 were made in 1945.

$5 For Assault

EDMONTON (BUP).—It's more costly to whistle at a woman than it is to object to a wolf whistle in Edmonton.

Michael Gavin was fined $5.00 and costs for assault last week because he teed off on a youth who whistled at a woman entering her home.

More Own Their Homes in Edmonton

Edmonton may be in second place in having the highest percentage of home owners among Canadian cities.

According to statistics taken by the Assessment Department, 78.8 per cent. of the city's houses are owned by their occupants.

London, in Western Ontario, is thought to be in first place with 83 per cent. of its homes owner-occupied.

Notice to Creditors and Claimants

In the matter of the estate of JOSEPH DAVID NEILL, late of the District of Goose Lake, in the Province of Alberta, Farmer, deceased.

NOTICE is hereby given that all persons having claims upon the estate of the above named Joseph David Neill, who died at Goose Lake, in the Province of Alberta, on the 17th day of May, A.D. 1954, are required to file [illegible] DUNCAN, JOHNSON, MISKEW, DECHENE, JUDGE & BOWEN, 203 Bank of Nova Scotia Building, Edmonton, Alberta, Solicitors for Robert Morrow Neill, the Administrator, by the 23rd day of November, 1954, a full statement duly verified, of their claims and any securities held by them; and that after that date the Administrator will distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which notice has been so filed or which have been brought to his knowledge.

DATED this 29th of October, A.D. 1954.

District Agriculturist Notes

Hog Raisers Should Review Methods In Light Of Market Trends

By J. S. LORE, B.Sc.

LAC LA BICHE. — With the rapid decline of hog prices in the last month, producers should take a look at their hog raising methods and try to see where they can improve their efficiency. Of course, I am talking about the steady producer as the "In and Outers" will be going out of production. There are two methods that can be used by the producer to improve his returns. The first and quickest method is to not overfinish your hogs this fall. A large number of hogs are falling from the A grade to B3 grade simply because they are overweight or, in other words, they have been fed from two to six weeks too long. The actual return from B3 hogs is less than that of the A grade hog without even taking into consideration the extra feed they consume. When the exgether with the low returns, maitra cost of feed is considered together with the lower returns, marketing overweight hogs can turn a profitable hog enterprise into a losing enterprise. Examine your hog feeding methods, and don't worry those hogs until they are overweight. Hogs should be marketed at 200 to 210 lbs. live weight for Edmonton markets, and not more than 5 lbs. heavier for coast shipment.

The second method for improving the efficiency of production is to use purebred bacon type boars. Yorkshire and Tamworth breeds are the only bacon type breeds, although bacon type pigs can be found in other breeds. White pigs are preferred because they do not contain the pigment in the belly that many of the colored pigs contain. When selecting a boar, be sure that you get a long one without too much backfat. The backfat is usually seen on a broad square back. A poor type of boar will almost surely throw you B or C type pigs. Even when looking over purebred pigs, be sure that you buy a bacon type, because there are plenty of short dumpy hogs in the purebred classes.

Try to market your hogs in the 5½ to 6½ months of age range, as this is the age that they will naturally attain the described weight range if fed properly.

At present there is an indication that there may be a serious shortage of good seed oats for next spring. If anyone has any oats that he thinks may be fit for seed, please send a cleaned sample of 1 lb. with 75c to Plant Products Division, Immigration Building, Calgary, Alberta, and ask them for a germination test and a Seed Control Certificate. When you have the results from this test, please list any quantities with me that you cannot sell locally. Anyone who cannot obtain good seed locally, please contact me.

Noral

Visitors at the Cliff Henson home last weekend were Mr. and Mrs. Ray Henson of Waterways, Freddie and Arlene Henson, and Miss Beatrice Hater, all of Edmonton. Mr. and Mrs. Ray Henson returned to Edmonton with Freddie.

Cliff Henson has returned from Victoria, where he visited his mother.

Wilfred Woychuk left dmonton on Thursday ror Cornwallis, N.S., where he will train for a communicator with the Canadian Navy.

A farewell party was held for Carl Juknies on Saturday. Carl has joined the Air Force, and leaves November 2 for St. John's, Que.

Sympathy is extended to the Pernishny family of Hylo in the accidental death of their elder son, Terrace.

Egg Lake

The nice weather is continuing. After such a bad summer, it was believed the sun was on strike for good. The hum of the tractors is heard all day long, and it is sweet music to the ears. Most of the grain is threshed, except the fields that are still too wet to get in, but there is still quite a bit of small seeds to combine.

Charles Girard has come from Edmonton to spend the weekend at the home of his parents, Mr. and Mrs. Jos. Girard.

Mr. and Mrs. H. M. Olson had their newly-married son Harold and his bride as guests for a few days. They have now returned to Edmonton.

A welcome sight on the roads these last few weeks is the machines working to repair our roads and gravel some parts of them. They are gravelling the road from the Venice road coming west to 1½ miles from Egg Lake post office and then turning north to the highway. They will also gravel the road from the highway to Berny Post Office and east as far as the church.

This will improve the roads for the two school vans. There will still be three miles of roads not fit for gravelling. They will have to make a grade first.

Suicide Leaves Fortune

NYACK, N.Y.—Police are puzzled as to why Raymond Jones, World War II veteran, hanged himself in the rear of his tiny candy-newspaper store, which he took over when his parents died.

A check of the premises turned up: Coins in a soda-water box, totaling $1,248.24; old cigar boxes stuffed with $22,230 in bills; two savings accounts of $25,908 and $18,740.47, respectively; a checking acocunt of nearly $4,600 more. Jones also kept a safe-deposit box at a bank and police plan to check another account in a bank at nearby Pearl River. Jones has no known relatives.

On the average every telephone in Canada is used nearly five times a day.

News From Other Alberta Towns

New School Auditorium Nears Completion

To meet the ever expanding educational need of the Mannville district, the Vegreville S.D. under the chairmanship of Sid Hinton are constructing an auditorium on the west wing of the new school, to be completed in the not too distant future at an approximate cost of $76,000. t will be 50 ft. wide and 130 ft. long. Containing a balcony, stage and a large seating capacity provided by a main floor area of 43' by 83', it will be used for basketball, gymnastics and many student activities.

The School has now expanded to 18 rooms and accomodated 450 rural and 125 villiage children. These students are brought to school each day by 10 buses from 20 rural school districts.

Teachers Attend ATA Convention

INNISFREE — The annual fall convention of the teachers of Vegreville, Vermilion and Wainwright locals of the Alberta Teachers' Association was held at the Vermilion School of Agriculture on Oct. 14 and 15. The entire staff of Innisfree school was represented at the convention.

Following the opening exercises on Thursday morning, the convention was broken up into discussion groups. The highlight of the afternoon session was the superintendents' period where problems of the division as a whole were discussed.

Guest speaker for the banquet was S. Lindstedt, who had just returned from England after studying at the University of London. Mr. Lindstedt gave an interesting talk on his impressions of English life.

The sessions on Friday morning were taken up by ATA business. However, the afternoon was both an educational and an interesting one. Following a speech by D. R. Cameron, registrar, Department of Education, a talk was given by N. V. Scarfe, Dean of the Faculty of Education, University of Manitoba.

Dean Scarfe was of the opinion that it is the duty of parents to give their children moral education, and the teacher's job was to induce culture.

Mrs. Worobets Wins Cut Work Cloth

WILLINGDON — Willingdon Hospital Aid held a successful bazaar and bingo Saturday night. The beautiful cut work table cloth was won by Mrs. Worobets of Lamont; the petit point pictures by Buddy Shandro of Willingdon, and the $5.00 cash prize went to Arlene Babiuk, the 1½-year-old daughter of Melvin Babiuk of Edmonton.

It was quite a coincidence that Mrs. Worobets is the niece of Mrs. Rita Shandro, proprietress of Rita's Fashion Shop, Willingdon. Buddy Shandro is Mrs. Shandro's son, and Arlene Babiuk is the granddaughter of Mrs. Metro Romanko who helps operate the Fashion Shop. How lucky can you get!

Christie Kelba drew the lucky tickets from the box.

We are under no illusions that these remarks are the hottest licks this side of you-know-where.

NORTHWESTERN UTILITIES TO "TURN IT ON" NOVEMBER 3

The year of 1954 will go down in the records of Mannville as one of the biggest achievement years in the history of the village. Water and sewage have been installed, natural gas is being made available, a new auditorium is being added to the school and work has progressed on an arena that will be completed within three years.

A social evening is to be presented by the Northwestern Utilities Ltd. on Nov. 3 in the Legion hall to mark an event that has been much anticipated by the citizens of Mannville. Officials of both the company and town will be on hand to open the valves that will send the gas through the lines to the appliances of the anxiously awaiting customers.

The project is one that the town fathers had diligently worked for and is now rapidly nearly completion. It became a reality this summer when Northwestern Utilities applied for the franchise and were accepted by a plebiscite. The supply comes from a spur-line which joins the Viking to Vermilion main line. Also assising in the supply is a feeder line from the gas well south of town.

The sewage and waterworks is a project that has absorbed the efforts of many civic-minded people over the past years. However, by the combined efforts of the Board of Trade and the Town Council it was finally financed by a $117,000.00 self-liquidating government loan.

Of the 85 outlets provided, approximately 50% are connected to the mains. These are located in an area three blocks west of the main street and two blocks east. The northern boundary is formed by the road in front of the school, while the southern boundary is located at the railway tracks.

A 50,000-gallon supply tank located in the Fire Hall is supplied from a 250-foot deep well; 60 pounds pressure is maintained in a 1500-gallon pressure tank above the main supply in order to provide adequate pressure to the homes at all times.

Three-Year Plan For New Arena

Another ambitious undertaking of the Mannville and District Board of Trade is the proposed Hockey Arena. Directed by a committee composed of Alf Gerhart, president; Ross Young, secretary, and A. E. Williams, chairman of the finance committee, the arena will take approximately three years to complete at an estimated cost of $30,000.00.

Considerable money has been raised already by bingos and W. J. Sargent, a local stockman, has donated a $250.00 registered Hereford heifer to be used in a fund-raising, name guessing contest.

This year will see the ice surface and waiting room in use. Work will be continued on the building as money is raised. When completed the arena will be 100x250 feet and will have a seating capacity of 1200. It will be built with a truss roof and will contain rest rooms, waiting rooms, dressing rooms, and a large kitchen which will have running water and gas.

The new arena will not only be used for hockey in winter but also for circuses, shows, concerts and possibly dances during the summer.

Plenty Of Water For Fire Dept.

Ten fire hydrants strategically located throughout Mannville now assure the fire department of an adequate supply of water. Practising every Tuesday night under the guidance of Fire Chief Jack Coxford the crew have at their disposal the most modern fire-fighting equipment.

Built in 1951 at a cost of $20,000.00 plus equipment, the fire hall has housed the Town Hall office and is now also the supply and distribution centre for the village waterworks. The fire truck is a Le France Pumper and is equalivalent to the type used by the Edmonton Fire Department.

Fireman Quell Blaze At Tangent

GIROUXVILLE — On Oct. 19, the fire engine of this town was called to extinguish a fire in Tangent village in the home of Mr. Duchene. They responded quickly and were in time to save the adjoining houses and the post office and store owned by Mr. Langlois.

Andy Tanasichuk, Fred Coward and Andre Gagnon were the firemen who fought the blaze. Others helping were Henti Bessette, Raymond Bessette, Richard Beaudouin and Albert Dumont.

Thanks go to Syde Hughes of Fairview and the civil departments for the training of the volunteer fire brigade.

Berwyn To Have Brilliant Pianist

BERWYN. — The Berwyn Musical Club announces that all interested in attending the piano concert featuring the young pionist, Roman Stecura, will be able to do so Nov. 14 as 9 p.m., in the Berwyn Theatre.

Tickets will be on sale shortly as soon as final details are arranged.

Zone Rally Great Success

Over 100 attended the recent zone rally of the Legion auxiliary held in the Legion hall and presided over by the zone commander, Mrs. S. C. Heckbert of Vermilion, who announces that this was the largest rally ever to be held in the zone.

During the afternoon, excellent reports were presented by the delegates representing the various branches throughout the zone.

The provincial president, Mrs. W. C. Dexter of Calgary, delighted the gathering with a commentary covering the Dominion Legion auxiliary convention held in Toronto last June. This was followed by a question period in which many of the members participated.

Cold buffet supper was served by the Vegreville Ladies Auxiliary and later in the evening a social hour was spent in the Legion club rooms.

Parliamentary government was established in Canada in 1758.

Electric Power In Two Hills

The Champlain Rural Electric Association witnessed the official turning on ceremony recently. The ceremony was the opening of the 33-member association, was held in the Champlain community hall.

The hall was temporarily hooked up with electric power for the occasion, but also in the centre of the hall adding to the lighting system, was a gasoline lantern.

The power line was constructed by the Canadian Utilities and at the opening ceremony the following officials attended: J. G. MacGregor, Alberta's power commissioner; George D. O'Brien, district manager of the Canadian Utilities, and Steve Hawrelak, field man of the Canadian Utilities.

Former Residents Honored At 50th Anniversary

CZAR. — The Lutheran Ladies' Aid of Provost held a surprise party in the Lutheran Church, in honor of Mr. and Mrs. Gus Gunderson, former residents of Czar, the occasion being their 50th wedding anniversary.

A program and community singing was enjoyed. Pastor Olson gave a short history of Mr. and Mrs. Gunderson's life together.

Rev. Ega Dahl, who held church services in their homesteading days in the Sather district, was present and was asked to present the couple with a chrome table and chair from the Ladies' Aid, also a purse of money from friends. Both bride and groom expressed their thanks in a few well-chosen words.

A delicious lunch was served. The bride and groom cut the wedding cake, which had been decorated by Mr. and Mrs. Gilbertson and Mrs. Nelson. The couple left for Colinton, where their family will meet them for another celebration. The family consists of two daughters, four sons, 14 grandchildren and four great-grandchildren.

CNIB Campaign Opens In Minburn

The annual campaign for funds in aid of the work of the Canadian National Institute for the Blind will open in Minburn on November 6. This was announced by Mrs. Gel. Hardy, president of the Women's Institute which is sponsoring the CNIB campaign here.

In making this announcement, Mrs. Hardy stressed the importance of this annual appeal. "The CNIB," she said, "is the only organization having a general service program for blind Albertans and the special services available to blind people through the CNIB can be secured from no other sources.

Gas Turned On Wednesday, Nov. 3

MANNVILLE—A meeting will be held on Wednesday, Nov. 3, at 8 o'clock in the evening in the Legion Hall. Representatives of the gas company will be present to explain the safety measures in the use of natural gas. And they will answer any questions about the converting of furnaces, stoves, etc.

Then a flare will be lighted and the gas will be turned on in all the mains.

Construction Worker Crushed To Death

GRANDE PRAIRIE. — Sydney Ernest Onishenko, 26, of Prince Albert, was killed near this northwestern Alberta town when crushed beneath two tractor-drawn packers loaded with about 25 tons of sand and gravel. Onishenko, a construction company employee, fell off his tractor and under the wheels of the vehicle.

Workers Unearth Old Graveyard

While digging a ditch for the installation of the Mannville town sewage, workers were surprised to find the ends of several boxes exposed as they progressed through the Orange hall property.

A little exploration showed that they had cut through the centre of an old cemetery and that the boxes were those used to enclose caskets. A hasty call was placed with a funeral parlor for a hearse and further digging was commenced to find the extent of the plot.

The investigations fortunately revealed that the caskets had been removed. A search of town records showed that the Orange hall had once been the Methodist Church and that the burial ground had been transferred in 1907.

Square Dance Club May Be Formed

BERWYN. — Emil Dorin, of Grande Prairie, is to be in Berwyn Oct. 26 to hold an introductory night for square dancing from 8:30 to 11:30 p.m. Everyone is invited to attend, and it is hoped that eough interest is shown to form a Square Dance Club here in Berwyn.

Slacks Unpopular In High School

WILLINGDON.—Groups of High School girls, clad in slacks, faded blues and ordinary blue jeans were today patrolling the streets, after G. Kolotyluk, principal of Willingdon High School, had sent them home because, after being told not to wear slacks or jeans to classes, they had persisted in doing so.

The girls were taking a straw vote of those in favor of or against the wearing of jeans to school.

Miss Inglis Guest Speaker WI Meet

INNISFREE — The regular meeting of the Innisfree Women's Institute was held Oct. 19 in the school auditorium. Mrs. H. S. Atkins, CAC reporter, gave a report on dry cleaning.

Mrs. G. Thoressan reported the Girl Guides and Brownies had a successful day for the blind, and collected the amount of $36.00.

$25.00 was sent to the Toronto Hurricane Fund.

A turkey raffle is to be held to raise money. Miss Marion Inglis, District Home Economist, was guest speaker. She spoke on differen hobbies and demonstrated copper work and copper jewelry, also cork work and felt work.

Lunch was served by the hostesses, Mrs. W. Tym, Mrs. D. Hlus, Mrs. V. M. Mokrey and Miss S. Hughes.

NEW 1955 CHEVROLET WAS "MOST CAREFULLY GUARDED SECRET

The most carefully guarded new Chevrolet in history was disclosed to the motoring public with the announcement that futuristically styled 1955 models offer a high-output V8 engine, in addition to a more powerful version of the economical six-cylinder leader of the low price field.

All 14 body models for 1955 reflect complete re-engineering that adds heightened driving ease and riding comfort to the first "dream car" styling in the popular price range.

As a result of lower roofs and a corresponding reduction in hood and belt lines, the appearance of the new Chevrolets stresses a longer, fleeter look. Overall, sedans have been lowered two-and-one-half inches, station wagons as much as six inches At the same time passenger room has been increased and all-round visibility greatly improved, particularly by the new sweep-sight windshield.

The Bel Air canvas-top convertible follows the move to a lower, racier silhouette, while 1955 marks resumed production of this model in Canada. Station wagons, among them a two-door design available for the first time, also return to Canadian production lines after a 15-year absence.

Described as "far more precisely built and efficient in performance than others in its class", the "Turbo-Fire V8" is the first eight cylinder engine offered on a Chevrolet in 35 years.

Frains

Every year Miss Natalie, Virginia and Georgia Medwid from Grassland visit their grandmother, Mrs. Ustina, on her birthday. On her 73rd birthday this year, the girls presented her with a birthday cake and a lovely gift.

Jary Prokopchuk from the city had four days holidays, and visited with the Nahorney family.

Fred Soloski who is attending university, is home for a few days.

Slawko Shyian and his friends from the city paid a short visit to his brother and sister-in-law, Mr. and Mrs. John Shyian and family.

Eddie Shwetz motored to Waskatenau to pay a short visit to his uncle and aunt, Mr. and Mrs. Andrew Shwetz.

Steve Yurochko is still in the Lac la Biche hospital. The neighbors and his sons-in-law, helped with the cutting of grain and threshing.

Plamondon

Mr. and Mrs. Charlie Johnson have returned from Trail, B.C. Mr. Johnson is now receiving medical treatments in an Edmonton hospital.

Onisime Plamondon was a visitor in town recently.

Dick Dragon has returned from McMurray, and is visiting his parents, Mr. and Mrs. Dave Dragon.

Mrs. Louisa Bourassa is visiting friends and relatives.

Edeaus St. Jean went to Edmonton for medical treatments.

Louis Plamondon, who was visiting here, has returned to Michigan.

Mr. and Mrs. Edgar Dube are the parents of a baby girl, Colette, born Oct. 14.

Born to Mr. and Mrs. Ovilla Gauthier on Oct. 14, a son, Garth Wade.

Joe Perner and Simeon Plamondon of Peace River are visiting here.

Card of Thanks

We wish to thank our friends and neighbors for the flowers and acts of sympathy shown to us in our recent bereavement, in the death of our mother and grandmother, Mrs. Annie Waselenchuk.

Exchange Vows In United Church

PERRYVALE. — A wedding of interest in this district was solemnized at Grace United Church, Stoughton, Sask., on Oct. 16, when Miss Beverley Joan Borgstrome, only daughter of Mr. and Mrs. E. Borgstrome of Stoughton, Sask., became the bride of James Hanna J., son of J. Hanna and the late Mrs. Hanna of Meanook. Rev. W. Burgess performed the ceremony.

Given in marriage by her father, the bride wore a floor-length gown of white nylon lace over taffeta. It was topped by a matching chantilly lace jacket with lily-point sleeves. Her veil fell from a pearl and rhinestone coronet, and she carried a bouquet of baby mums. Her only jewelry was a rhinestone necklace and earrings, gift of the groom.

Miss Ruth Hanna, sister of the groom, and Miss Shirley Halliday were bridesmaids. Miss Hanna wore a floor-length gown of yellow nylon net over taffeta, and Miss Halliday a similar style in blue nylon net over taffeta.

Raymond Folk of Benson attended the groom, and ushers were James Borgstrome and William Anderson.

Mrs. Lorne Bowers played the wedding music.

Following the ceremony, a reception for about 60 guests was held in the church parlors.

For a honeymoon trip to the South, the bride donned a two-toned grey gabardine suit with red accessories.

On their return, Mr. and Mrs. Hanna will reside in Buffalo.

After reading some of the ads, we are almost afraid to put some of the new gasolines in our car, lest it take off and pass everything on the road with its "new power."

Farewell Party For Mr., Mrs. O'Donnell

NEWBROOK. — A farewell gathering was held Oct. 26 in the Community Hall for Mr. and Mrs. Mike O'Donnell. Mr. O'Donnell has been manager of the Newbrook Hotel for the past three years, and has been a willing worker in community affairs. Newbrook will miss them, and wish them the best of luck in their new home.

A buffet supper was served by the ladies, and dancing continued during the evening.

A gift of appreciation was presented to Mr. and Mrs. O'Donnell. Crowds gathered from Abee, Hollow Lake and the surrounding districts, and a wonderful time was enjoyed.

The new management will take over the hotel on Nov. 1.

Breynat

A son was born to Mr. and Mrs. Yvon Bachand at Prince George, B.C.; Mr. and Mrs. Philip Hebert are the proud grandparents.

Mr. and Mrs. Paul Emile Germaine are proud parents of their first baby boy.

Samuel Parenteau is going to Drayton Valley to work for a month or two.

Marcel Hebert had a slight mishap when he went to Boyle the other day. A truck backed into his International, slightly damaging the radiator and setting the truck on fire. He returned home safely after the fire was extinguished.
